FOREWORD

As this school year comes to an end, another class has graduated. But will the high school days be forgotten?

The Annual Staff of 1961-62 presents this edition of The Thunderbolt in order to preserve the happy and warm memories of the carefree, though busy, hours we have spent at H.H.S.

We hope that each and every one enjoys this book. May each glance at the classmates, friends, and teachers remind you of moments you wish to remember.

DEDICATION

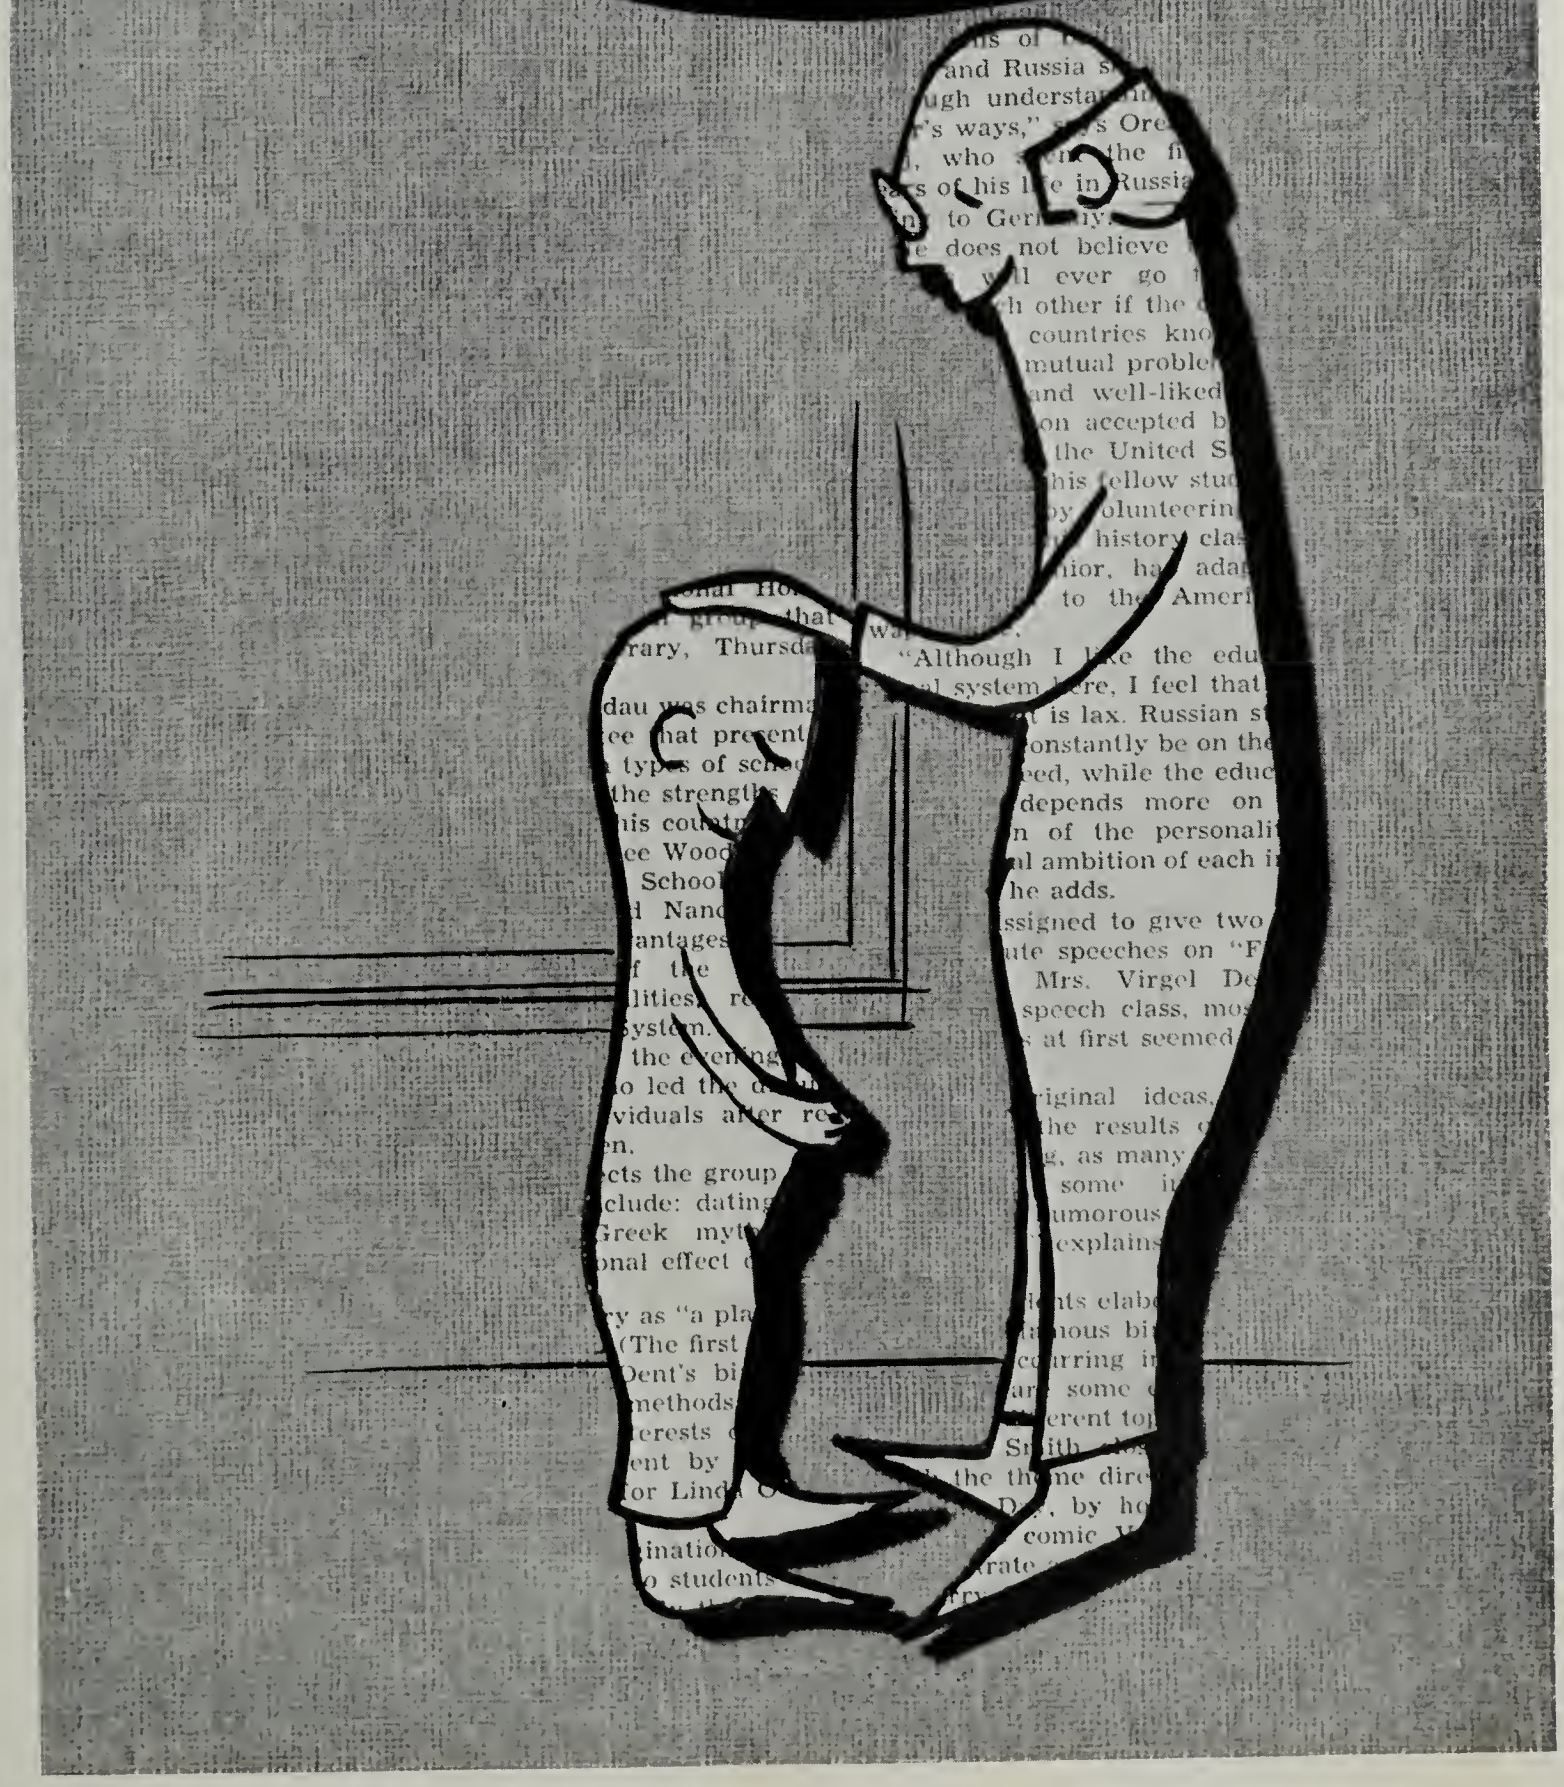
To our helpful and understanding teacher and coach, who has rendered every service possible to uphold the spirit of Haysi High School; to one who has worked without ceasing, for our educational improvement; to one who encouraged and guided us in all our undertakings; who has taught us willingly, faithfully, and with fullest capacity, we, the Senior Class of 1962, proudly dedicate this edition of "THE THUNDERBOLT" to our very own--

Mr. Norman Mullins

ADMINISTRATION



PRINCIPAL'S MESSAGE

Dear Seniors:

The time for your departure from this school is near, and I am happy to state that working with you throughout your stay in high school has been very pleasant and enjoyable. I sincerely hope the knowledge acquired while here will add materially to your welfare in the near future.

To many of you, this in only the beginning of your formal education, and I do hope your quest for higher learning is fruitful. To the others, who will take a job and find a place in society, just remember--any reasonable goal is within your reach if you are willing to put forth the effort.

Sincerely,

C.C. Short, Principal

LAST WILL AND TESTAMENT

We, the Senior Class of Haysi High School, in the year of 1961-62, being in reasonably good health and of doubtfully sound mind, realizing the uncertainty of grades and the vacillating dispositions of our faculty members, do hereby make this our last will and testament.

I, Doug Fuller, being of a very weak mind and unusual body will my black Ford to anyone who can hold her in the road.

We, Margaret Sutherland (Mo), Louise Mullins (Larry), and Madge Rose (Curley), will our good times at ball games and our love for pretty boys to future three stooges of H.H.S.

I, Katy Yates, will all my good times at H.H.S. to my younger sister, Judy.

I, Ross Arena, will my ability to cut up in class to Jim Duty, with hopes that he will use it.

I, Alice Murphy, will my good times at H.H.S. to my sister, Helen, and everything else I plan to take with me.

We, Earl Fields, Roger Mullins, and Fred Yates, will all our books to future brains of Bartlick.

I, Deanna Payne, will all my good times at H.H.S. to my sisters, Gayle and Charlene, and my love for the Sandy Ridge boys I will take with me.

We, Conrad Anderson, and Jerry Deel, will our guitar and drums to Roger Edwards hoping he will learn to use them.

I, Linda Green, will all my love and good times at H.H.S. to a certain boy in Hawaii.

I, Shirley Silcox, will all my good times of H.H.S. to those left behind, but I will take all the pleasant memories with me.

I, Gordon Deel, will all of my good times and fun at H.H.S. to my one and only sister Marie Deel.

It being Monday, and me, Jack Colley, having a hangover don't have anything to will except love and all that goes to Janice Viers.

I, Roger Anderson, being of no mind and weak body, will nothing to nobody, because I have nothing that anyone would want.

I, Juiette Deel, will all my love for H.H.S. to my sister Becky, and my love for certain people, I will take with me.

We, Susie Taylor, Judy Viers, Rita Jo Wright, Gail Viers, and Joy Taylor, will all our good times to nobody because we are taking them with us.

(And Rita and Joy are also taking their love for Larry and Grabern with them.)

I, Jimmy Edwards, being of sound body and weak mind, leave nothing to nobody, because I am taking it all with me.

I, Roger Fuller will all my good times in H.H.S. to my brother Harold with hopes he will enjoy it as much as I have.

I, Jimmy Cabe, will my good times in sports with injuries, to Johnny Redbird.

I, Charlotte Counts, will my good times at basketball and football games to my brother, Durwood, and hope he has as much fun at H.H.S., as I have had.

I, Linda Wright will all the fun I have had in school to my brother Billy; my love for boys of Baltimore to my sister Martha; and I take my love for Eddie and my memories with me.

I, Jackie Mitchem, being of no mind and body, leave all of my hot-roding and running around to my brothers.

I, Terry Hay, will all my good times at ballgames and H.H.S. to Fay Willis, and the other memories I plan to take with me.

I, Jannie Hill, will all my good times at H.H.S. to my cousins, Nannie and Sue, and my love for football games I take with me.

I, Kay Taylor, being in a democratic sense of mind, plan to take everything with me as I might need it before I get through this world alive; That includes my Big Hearted Man.

I, Bobby Fleming being of no mind and sound body, will all my good times at H.H.S. to my brother, Gary, and my flirty ways with all the beautiful girls I plan to take with me.

I, Garnell Gilbert, will all of my books to anyone who will have them.

I, Gloria Robinson, will my love to my mother for sending me through school and my witty ways to the future comers of H.H.S.

I, Tony Jones, will my love for football to Haysi's future teams hoping they have better luck than I did.

I, Mary Rose, being of sound body and weak mind, hereby will my good times and wicked ways to my sisters Connie and Kathy. My love for Bobby Thomas and everything else I have will go down with me.
